

Kenneth Bok is CEO of Blocks, a corporate finance advisory specialising in fintech and blockchain. Based in Singapore, Kenneth advises fintech startups with a wide range of advisory services, including capital raising, go-to-market strategy, product development, and corporate partnerships. Kenneth also serves as a mentor for R3, an enterprise blockchain platform.

Kenneth was previously Head of Growth and Strategy at Zilliqa, where he led ecosystem and business development. He was also lead organiser for De/Centralize 2018, a groundbreaking conference on cryptocurrencies and blockchain.

Kenneth started his career in finance as an equities trader with Goldman Sachs. As a cryptocurrency investor, he has realised over 1000x returns with early investments in Bitcoin, Ethereum, Cosmos and Tezos, and continues to be optimistic about the future of public blockchains in fostering internet-wide innovation.

A recognised cryptocurrency, blockchain and fintech expert, Kenneth speaks regularly at technology events, writes for prominent industry platforms, and has been featured on many leading media outlets. Kenneth holds an M.Eng. in Mechanical Engineering from Imperial College and an M.A. in Philosophy and Religion from CIIS.
